"We must reject the idea that every time a law's broken, society is guilty rather than the lawbreaker. It is time to restore the American precept that each individual is accountable for his actions." – Ronald Reagan

"If the freedom of speech is taken away, then dumb and silent we may be led, like sheep to the slaughter." – George Washington

"Hold on, my friends, to the Constitution and to the Republic for which it stands. Miracles do not cluster, and what has happened once in 6000 years, may not happen again. Hold on to the Constitution, for if the American Constitution should fail, there will be anarchy throughout the world." – Daniel Webster

"Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children's children what it was once like in the United States where men were free." – Ronald Reagan

"I am a firm believer in the people. If given the truth, they can be depended upon to meet any national crises. The great point is to bring them the real facts." – Abraham Lincoln

"Without God, there could be no American form of Government, nor an American way of life. Recognition of the Supreme Being is the first - the most basic -- expression of Americanism. Thus the Founding Fathers saw it, and thus, with God's help, it will continue to be." – President Eisenhower

About Us

The Western Cumberland County Republican Club officially started on May 5, 2019. We are a group of Republican voters who come together to support and elect common-sense, conservative Republicans at all levels of government.

Additionally, we work to promote the Republican principles of limited government, free markets, strong families, individual freedoms, personal responsibility, and a strong national defense.

We work for the best interests, first for the residents of our focus area and, when applicable, the entire county.

The Club's objectives are to support Republicans by providing opportunities for political involvement, expression, and training; to provide a forum for voters to learn about Republican candidates and important issues; and to support the Republican slate of candidates each general election.

In order to accomplish these objectives, we work in conjunction with the Cumberland County Republican Committee, the Republican Party of Pennsylvania, and the Republican National Committee, whenever possible.

Our membership is open to ALL registered Republican voters regardless of where they live. However, to vote or to be a Club officer you must live in focus area.

Activities

The Western Cumberland County Republican Club has had an active and exciting start. Below are a few of our activities.

The **WE THE PEOPLE Speakers Series** started in January 2020. The Speakers Series season runs from September to May. Each season has three meetings held in September, January, and April or May.

The **Republican Leadership Academy** is a new initiative to be started Spring 2021. Its purpose is to inspire, train and equip Republicans to be leaders and productive members of their communities politically and beyond.

The **Annual Fall Legislative Update** is held in October and allows for legislators who represent our focus area to share what is happening at their level of government.

The **Winter Potluck Social** is held in February of each year and enables members time to socialize around good food and to invite friends to attend the event and learn more about the Club.

The **Summer Social Get-Together** is held in August of each year and is a catered event.

Once you choose HOPE anything is possible.
