**Our Mission**

The Western Cumberland County Republican Club officially started on May 5, 2019. We are a group of Republican voters that come together to support and elect common-sense, conservative Republicans at all levels of government. Additionally, we work to promote the Republican principles of limited government, free markets, strong families, individual freedoms, personal responsibility, and a strong national defense.

We work for the best interests first for the residents of our focus area and when applicable the entire county. The Club's objectives are to support Republicans by providing opportunities for political involvement, expression, and training; to provide a forum for voters to learn about Republican candidates and important issues; and to support the Republican slate of candidates each general election.

**Focus Area**
